The purpose of the CWPT traveling trunk is to help teachers give their students a quality, hands-on learning experience. The items in the traveling trunk can be used as "stations" within a room, small group items, or in any way that will complement the teacher's Civil War unit.

To the left is a sampling of materials in the trunk.

To rent the trunk for a 5-day period, send your exact mailing address (for UPS) and the days you would like to rent it. The rental fee is $10 (towards replacement of lost and/or worn items) plus reimbursement for UPS ground shipping. (Generally around $30-$35 total.) To make it easier for your school to pay the rental fee and shipping, I send you an invoice and letter confirming the details and cost.

When I ship the trunk I send a label for its next stop -- or a label to return it to Hagerstown. You just call UPS for a pickup.

When you receive the traveling trunk, be sure to read the directions and comments first.
